

MISSION STATEMENT

The Bible tells us, “Jesus grew and became strong; he was filled with wisdom, and the grace of God was upon him.” (Luke 2:40)

Little Friends Preschool will provide a setting for learning, creativity and fun that encourages growth of the whole child. We celebrate and give importance to both the academic and social development of children.

Most importantly, your child is God’s ‘Little Friend!’ We want your child to grow and know how special they are. We will strive to give families a sense of community, raising children together.

Class Parties and Field Trips provide extra opportunities for learning about socializing and our community.

Songs, Poetry, and Stories are all part of early literacy at Little Friends Preschool.

Little Friends believes that physical education is important in raising healthy children.

Also, it is vital in large motor skill development.

Community visitors come to the preschool to meet and share their information with the students.

“What Parents Are Saying”

“Little Friends truly cares about the whole child; their well being and their education.”

“Little friends Preschool offers a nurturing, academic, well-rounded program. My children enjoyed field trips, science experiments, art, music, math, literacy, and so much more. They were sad to leave Little Friends, but excited and ready for kindergarten, exactly what a mom would wish for from a preschool.”
