## 1<sup>st</sup> UMC-Tipton to Soak in "The Story" for Nine Months

*The Story* was originally published by Zondervan in 2005 to provide a product that would help achieve the Zondervan Bible Department's mission of "more people engaging the Bible more." *The Story* is an abridged chronological Bible, developed for the express purpose of helping people engage with the Bible more easily and with better overall understanding.

It is "abridged" and "chronological." It is the Bible, in a shorter, narrative ["story"!]) version. The compilation team "selected and organized the texts to tell the overarching story of the Bible, including passages that would be important for a first-time reader of the Bible to know. They chose texts that held to the overall flow of the narrative, giving readers a sense of the story of God's relationship with people. The target audience was both first-time readers and also readers familiar with the Bible but who were looking for a fresh way to engage the text. The team wrote transitions to tie the passages together and smooth out the narrative."

One of the building blocks for a HEALTHY CHURCH is to have a high percentage of the lay people comfortable with and knowledgeable of the Bible. Regardless of whatever else a church is known for or 'good at,' regardless of "strengths" or "weaknesses," it is necessary to have a solid biblical foundation. While "Bible" is not explicitly a part of any of the Healthy Church Consultation Prescriptions, it is implicit in every Prescription and everything we are and do. Your Leadership and your pastor believe biblical acuity is central to HEALTHY CHRISTIANS. Healthy Christians lead to a Healthy church!

(Continued on page 2.)

Starting September 7, 2014 going all the way through May of 2015, we will be using *The Story* for worship themes and we are encouraging current groups and classes to consider using *The Story* as their curriculum and/or discussion guide. “*The Story* products are all aligned, based on 31 chapters that study the same segments of the Bible in chronological sequence. Classroom curriculum is included in the kit for every age-related ministry, so all the ministry leaders for the preschool, elementary, youth, and adult ministries departments can be teaching through the big story of the Bible over 31 weeks. Companion resources are available to enhance the personal experience of *The Story*, including a reference guide, video-based going-deeper studies for adults, and trading cards for children.”

One of the benefits of doing *The Story* with all levels and settings is that the entire church and all ages will be able to have conversation pertaining to that week’s topics, events and characters. In our busy lives, many families have very little in common to talk about when they have moments together. This program has the potential to bring fractured lives back together!! In August we will be giving opportunity for each person to purchase their own age-appropriate version of *The Story*. The adult hard-back is only \$10.00 through our special arrangement with Zondervan. All other materials for classes, groups and worship will be available on-line, included in our basic \$99 cost of the program kit.

In August we will host a couple settings for training Sunday School teachers (those who will be using *The Story* material) and small group hosts. If you’re not currently part of a GIG or a small group that may be using *The Story*, consider forming one now. Ask your friends, family and neighbors. Oh yes! This emphasis is not just for people who are or who have been part of 1<sup>st</sup> UMC! This is a great time to invite persons unchurched, non-churched or de-churched!

In a mid-April edition of the Cedar Rapids Gazette, it was reported that the Cedar Rapids area was nearly LAST, 96<sup>th</sup> out of 100 census tracts, in a Barna Group poll on the percentage of people who were ‘Bible-minded.’ It would be nice to think Tipton and Cedar County and, of course, the people of 1<sup>st</sup> UMC, would be different than that, but, well, actually, I have no reason to think otherwise.

*Come to me, all you who are struggling hard and carrying heavy loads, and I will give you rest.*

— Matthew 11:28

Work Trip 2014

There's the story told among the German Baptist Brethren, one of the Plain Peoples of Lancaster County, about a man who resisted the call of God for decades before finally repenting. As was the custom, he was baptized on Christmas Day. The minister literally broke the ice on the surface of the pond, then dunked the man in the frigid water once, twice, three times forward, in the name of the Father, the Son and the Holy Spirit. As he came up spluttering and gasping he shouted in triumph, "At last! It's over."

The minister smiled and said, "No, brother. It's just beginning."

Whatever else the baptism is, it is not an ending, but a beginning. There are various events and milestones in our spiritual maturity, in one's discipleship path. Many feel or appear to be 'endings' or achievements, but in reality, they launch us to new awareness, new accountability, and often a new [gasp] responsibility.

## **"5 Evils of a Bad Attitude"**

from a blog post by Jen Thorn

Over the course of our lifetime we will struggle and fight against many sins. Some we will overcome easily, while others will follow and haunt us for most of our lives. I believe for some of us, the struggle to maintain a good and godly attitude in all circumstances is a problem we don't give much attention to. Is a bad attitude really that bad? I was convicted about this myself as I read a section from the book "The Rare Jewel Of Christian Contentment" by Jeremiah Burroughs. He explains that a bad attitude is not a small problem, but a dangerous sin that does far more damage than we imagine. A bad attitude is evil in five ways:

### **1. It's unworthy of a Christian.**

We have been adopted into the household of God (Romans 8:15). We have been made royal priests. God paid a dear price to make us his heirs (1 Peter 2:9). We have been guaranteed a future so glorious that we can't even begin to imagine it. Therefore it is below our station to have a bad attitude when plans don't go our way or when seasons of life are hard. Living with a bad attitude does not imitate Christ!

### **2. It has evil companions**

A bad attitude is always accompanied by a number of ungodly friends. Melancholy, ingratitude, complaining, envy, jealousy, and anger just to name a few. It is a popular sin that gathers many others in its fellowship.

### **3. It stems from pride**

Bad attitudes flow from a prideful heart. A heart that says that we deserve for our day to go the way we had planned or for people to act in a way that we approve of and for life's circumstances to be free of hardships,

annoyances and frustrations. It is foolish living and will rob us of our comfort mentally and physically. When we have a bad attitude we depreciate all the blessings; we live as though God has dealt unfairly with us.

### **4. It drags out your troubles longer.**

The person who can accept the provision of God in their lives will be able to go about their day without worry. Joy and peace will be the character of our lives when we do not pit our desires against what God has for us. There will be hard days, messed up plans, and difficult people but the more we fight and rail against them the harder and longer our troubles will seem.

### **5. It spreads to others like an infection.**

Think back to a time when you were hanging out with a group of people who were complaining, badmouthing, or otherwise expressing a bad attitude towards someone or something. How easy is it to join in? This is because attitudes are contagious. They rub off on people causing others to act in the same way. (1 Cor. 15:33)

A bad attitude mars Christ's likeness in us and robs us of our calling to encourage others. A bad attitude reveals one's ongoing need for Jesus. We all continuously need his forgiveness, his help, his wisdom, and his Spirit working in us to conform us more to his own image. It is impossible to do this on our own. When we find ourselves with a bad attitude we can be grateful for the reminder that we have not allowed ourselves to be yoked with or have 'un-yoked' from Jesus and that, in fact, it's time to relax in a warm, bubbly tub of grace.

## Flowers for the Sanctuary

As you may have noticed we once again have had beautiful flower bouquets at the front of the church on Sunday mornings. Since I sit in the balcony more often in the summer, I was more aware of the flower pedestals having only doilies on them and no flowers! So talked to several gals that I knew had beautiful flowers they might share with our congregation during the summer months. Since I thought flowers would be available NOW, I thought it would be quicker to call than use a sign up sheet.

If you would like to participate please let me know. It would not need to be flowers, if you have some meaningful statuary or dried or silk bouquet that would add to our service that would be great too. You can also rent a bouquet from the Greenhouse. I have had many wonderful volunteers and have flowers scheduled through the end of August. I also have fall flowers scheduled in October. But I do not have any volunteers for any of the Sundays in September. If you would like to help with this ministry please contact Becky Young, cell 563-357-1245, home 563-886-6843 or bbyoung49@gmail.com. I will also put a sign-up sheet down in the dining room.

## Worship

Pastor Paul was out of town numerous days in June. THANKS to those who exercised their gifts to give special leadership to our act of worship:

Sundays: Wally & Judy Reidel, Paul Akin/Gail Fleming, Jennifer Comstock/Berrie Glick

## Vacation Bible School (VBS)

Bobbi Lieser, Jen Johnson and Melinda Stonebraker led the 1st UMC planning and participation. Great work! Thank you. Many more persons were involved, in classes, providing the meal on our night, and, parents, we do not under-estimate the effort you make to provide this experience for your children. Praise God for each of you.

By the way, the Tri-County Community Band Concert was cancelled in June. The COOKIES that so many of you brought in for hosting that event were then put in the freezer and used for the VBS snack the night 1st UMC was designated to provide it.

## *The FELLOWSHIP ROOM is READY for OCCUPANCY!!*

*As of this writing, all the door handles, painting and plumbing has been completed in the Fellowship Room. The rest room is in working order. When the electrician can get us scheduled, he'll come and install the ceiling fan. We're going to turn on the refrigerator today (and when it is cold, we'll unplug the Little Friend's frig in room 111.)*

*The insulation together with the new windows and the new HVAC has made that room very comfortable and practical for year-round use.*

*Materials for preparation of Holy Communion will be moved from the basement main kitchen to a cupboard in the Fellowship Room. Whoopee!*

*There is still work to do to arrange the library materials on the shelves, but the room can now be scheduled for small groups, classes, community events, family gatherings.*

*The completion of this project marks the completion of the FORWARD IN FAITH facility improvements begun in January of 2007 with the report of the Long-Range Facilities Planning Task Force of Glenn Eaton, Brad Kirkpatrick, Ken McKay, Barb Rickard & Pastor Paul.*

That's 27 different people!*

*How did that many different people stay the course to see the completion of a very aggressive list of needed facility improvements? We kept focus on "the list" provided by the Long-Range Task Force and endorsed by the Leadership Council. You completed the list because everyone worked together, doing the piece [large or small] they were gifted for. It was good practice. You see, we'll need the same sort of effort if we are to experience the blessings and benefits of the **HCI Consultation Report & prescriptions!!***

## Missions

### **UMCOR School Kits**

With school supplies on sale, this is a GREAT time to purchase supplies for an UMCOR School Kit. In some countries, without books, classrooms, or other supplies, a school kit may be a person's only educational resource. Here's a list of items in the school kit:

- 3 Notebooks, approx. 8 ½ x 11 wide ruled (210 to 250 sheets total) spiral or bound
- 1 2-1/2" eraser
- 1 blunt scissors (metal)
- 1 30 cm metric ruler
- 1 hand pencil sharpener
- 1 box of 24 crayons (ONLY 24)
- 6 unsharpened pencils with erasers

If you'd like a copy of the Ingathering Kit brochure, an up-dated brochure is available at the back of the sanctuary and in the Fellowship Room. The Dedication of Ingathering kits will be held on Sunday, October 26 so all kits must be turned in by that date. The Ingathering will be held on Saturday, November 1.

### **Work Trip Up-date**

Thanks to all who supported the work week in Tipton! By staying local, we had many more people help out. We had people provide snacks and meals, donate much-needed supplies/equipment, stop by and help out at the work sites, support the Porta Potty fundraiser, etc. Those who participated in the work experience appreciated all the TLC. Your financial support, prayers, encouragement, food donations all helped to make the week a rewarding experience. We successfully re-shingled 108 Meadow Lane, delivered senior meals 5 days, cleaned gutters, and completed numerous projects at the church. Check out the newly painted hallway and outside trim on the education wing.

### **Mission Market**

The Mission Market is now available in the breezeway. If you have extra produce you'd like to donate, please bring them to the church. Any freewill donations given for the fruits and vegetables will go to mission projects.
